SENATOR WARNER: Mr. President, I move that LB 81 be readvanced to E & R for engrossment.

PRESIDENT: Any discussion. The question is, the advancement of LB 81 as specifically amended to E & R Final. All in favor say aye. Contrary say nay. The bill as specifically amended is so advanced.

CLERK: Mr. President, motion on the desk.

PRESIDENT: Read the motion, Mr. Clerk.

CLERK: I move to return LB 474 to Select File for a specific amendment. Signed Senator Warner. The specific amendment is to strike Sec. 5 of the Marvel amendment adopted on March 10th on Select File. Signed Senator Warner.

PRESIDENT: The chair recognizes Senator Warner.

SENATOR WARNER: Mr. President, the purpose of the amendment is to strike the reference in LB 474 to the requirement that local governmental subdivisions must also comply with the provisions of the smaller cars and that they purchase but more specifically that they also would be required to buy vehicles for which the specifications were developed by the State Purchasing Department. I see no point in this kind of a requirement in local governmental subdivisions. It seems to me that that's a prerogative they ought to have for themselves. Certainly the state shouldn't be prescribing the specifications for the vehicles that they will need. So the purpose of the amendment is to strike all reference in 474 as to what is required in local governmental subdivisions in the motor vehicles they purchase.

PRESIDENT: The question is, to return LB 475 to Select File for a specific...474, excuse me, for a specific amendment. Senator Keyes.

SENATOR KEYES: Not having the privilege of knowing what Senator Warner was going to try to do, I would like to ask him a couple of questions.

PRESIDENT: Would you respond to the specific questions of Senator Keyes, Senator Warner?

SENATOR KEYES: Senator Warner, by this amendment, taking the second section, I believe it is, out of the bill, that will mean then that the subdivisions of government can buy any kind of a car that they want to. Is that what you want them to have?
